

Evaluation Terminology

- Goal – What you hope to achieve or accomplish
- Objective – Specific and measurable steps to accomplishing goals
- Output – Measurable result of a program activity
- Outcome – What changed or was gained as a result of a program activity
- Indicator – Used to monitor progress in achieving outcomes and impact
- Benchmark – Standards by which project success will be measured
- Target – Threshold for success
- Accomplishments – Results related to your targets, project successes

Reduce these into four measures for the proposal presentation.
